Easy Par Packages use the most basic HealthPass Participation Requirement so groups can offer their employees a pre-packaged menu of 3 plans.
HealthPass Participation Requirement: 20% of the total eligible employees must enroll with a HealthPass medical plan; 75% of the eligible employees must either enroll in HealthPass or submit a valid waiver.
Each package includes: One Oxford Freedom, Oxford Liberty and an Anthem Connection plan. This is the only way to offer plans from each of these networks on a side-by-side basis without additional participation requirements.
Groups may only choose to offer Easy Par Package A, B or C. Plans are limited to only those offered within the package selected by the group.
