

Auto-Rollover Mapping Chart

Medical Plan Mapping for 1/1/2020-8/1/2020 Renewing Groups

Please note: Auto rollover mapping is in place to ensure that employees are renewed into a plan that is available as of their upcoming plan year. Employees should carefully review the Summary of Benefits and Coverage (SBC) when determining the medical coverage that best suits their needs. Employees who wish to remain in the auto rollover mapped plan (and have no other changes at renewal) do not need to take action.
