Are you looking for a doctor?

It's easy to find one online with the Find Care tool

The right doctor can have a positive impact on your health and well-being. Choosing one in your plan can save you money as well. The **Find Care** tool helps you locate doctors, dentists, eye care professionals, hospitals, labs, and other health care providers in your plan. If you decide to see a doctor outside your plan, your costs will be higher and your care may not be covered. Therefore, it is a good idea to learn how this convenient tool can help you find care.

Health information that goes where you go

The Sydney Health app makes it easy to find information about your plan benefits wherever you are. The app keeps everything you need to know about your plan personalized and in one place. Download the app today.

How to find a doctor near you:

1. Go to **empireblue.com/find-care**

2. You can look for a doctor by using either:
   - **Search as a member:** Log in with a username and password or with the member number on your ID card.
   - **Search as guest:** Select a plan or network,* or search by all plans and networks

3. Once you log in, **select the Find Care option** on the welcome menu.

4. Next, **choose who you would like to see.** You can search for a doctor nearby or use the doctor's name.

5. **Select a provider to see more details,** such as:
   - Specialties
   - Gender
   - Languages spoken
   - Training
   - A map of their office location
   - Phone number
