

# HEALTHPASS TOP TEN

## 1 CHOICE

HealthPass offers a plan for everyone! Through our exchange model, employees choose from a coverage menu including medical, dental, vision, accident, FSA & commuter benefits, life, AD&D, disability, ID theft and a pet plan.

## 2 AFFORDABILITY

Small businesses save money by offering HealthPass. Their employees save money by personally choosing the right insurance and benefit plans that best fit their needs and budget.

## 3 TECHNOLOGY

Our HealthPass Online Portal (HOP) is a one-stop digital solution for small business health insurance and benefits. The HOP allows employees to enroll in their plans from their phone, tablet or PC!

## 4 PREMIUM SERVICE

An experienced, fully licensed Client Services team delivers consistently superior service. Our white-gloved approach to service benefits our employers, members, brokers and GAs and separates HealthPass from the pack.

## 5 SIMPLIFIED BILLING

One invoice to pay for all benefits. It's as simple as that. Invoices can always be viewed and paid via the HealthPass Online Portal (HOP) making it easy to keep coverage active. Paperless billing is also available.

## 6 GROUP CUSTOMIZATION

Employers customize their group to define their eligible employees, waiting period and the benefits menu they want to offer to meet the needs of their staff.

## 7 COBRA ADMINISTRATION

With COBRA Administration, COBRA members are sent payment coupons directly to their home, submit monthly payments directly to us and receive a separate annual renewal to review plan options. Members have access to Client Services to answer benefit related questions.

## 8 HEALTH ADVOCACY

Health advocacy helps members solve problems and find solutions. They can help with finding specialists, resolving insurance claims and obtaining approval for needed services. This service is available to all employees enrolled in medical coverage (excluding COBRA members).

## 9 EVOLVING BENEFIT OPTIONS

We continuously engage our partners to find new opportunities, services and products to offer through the exchange. Our members are always presented with the best options the market has to offer.

## 10 CARRIER ADDED VALUES

Employees enrolled in medical also have access to a host of carrier value added plans. These can include gym reimbursement, Telemedicine, smoking cessation, weight loss tips and more.
