F. MEDICARE SECONDARY PAYER

The Medicare Secondary Payer (MSP) provisions apply to situations when Medicare is not the primary payer. If your company has employed 19 or fewer, and employees in the current or preceding year, Medicare is almost always primary. If your company has employed 20 or more employees in the current or preceding year, Medicare is almost always secondary. In the case where an employer has 19 or employees and is part of a multi-employer group health plan (e.g. HealthPass) then Medicare is by default the secondary payer to the group health plan (GHP).

Participating employers with HealthPass that certify they have 19 or fewer employees, and have enrolling employees age 65 or older, must file for the MSP Small Employer Exception Certification. The exception means the employer is not held to the MSP rules governing multi-employer group health plans and Medicare will be the primary payer of Medicare Part A claims for any employee that is a working-aged Medicare beneficiary. For purposes of this calculation both full-time and part-time employees are counted toward the 20 employee threshold. Self-employed individuals participating in a GHP are not counted as employees for purposes of determining if the 20 or more employee requirement is met. The 20 employee or more requirement is met if the employer employed 20 or more employees for each working day in each of 20 or more calendar weeks in the current or preceding year. Note that the 20 weeks do not have to be consecutive. An employer is considered to have 20 or more employees for each working day of a particular week if the employer has at least 20 full and/or part-time employees on its employment rolls each working day of that week.

❒ **Group size per Medicare standards:*_____**

If your answer is 20 or more, no further action needs to be taken. If your answer is 19 or fewer, and you have at least one enrolling employee age 65+, you must complete and sign the MSP Small Employer Exception Certification (www.healthpass.com) and submit it with this application.

I. HEALTHPASS INSURANCE TRUST

The undersigned employer, in order to establish a plan or plans of Group Health Insurance for its employees and their dependents, hereby requests participation in the New York Health Purchasing Alliance, Inc. and/or HealthPass Insurance Trust (the "Trust") which provides health insurance benefits under Group Contracts issued by several health insurers and health maintenance organizations (HMO) to the Trustee of the HealthPass Insurance Trust. If the undersigned employer's participation is approved by the Trustee or the Administrator appointed by the Trustee (the "Administrator"), said employer shall become a Participating Employer (as defined in Trust Agreement) as of the effective date endorsed herein by the Trustee or the Administrator.
The undersigned employer understands and acknowledges that even if it is approved as a Participating Employer in the HealthPass Insurance Trust, employees and their dependents are not automatically insured, as each must satisfy any eligibility requirements of the Trust and of the applicable Group Contracts. The Participating Employer agrees to make the coverage under Group Contracts available to all of its current and future eligible employees.

The undersigned employer hereby agrees:

- To be bound by all the terms of the Trust Agreement and of the Group Contract(s) as each may be from time to time amended, changed or terminated by the Insurer, HMO or Trustee, copies of which are available from the Trust or the Administrator upon request.
- To furnish any information requested by the Trustee, Administrator or any of the Insurers or HMOs, which is reasonably required for the proper administration of the Trust or of the Group Contract.

- That it has no right, title or interest in or to the Trust Fund created under Trust.
- Coverage under any Contract through the Trust shall only apply to the extent provided in the Group Contract issued to the Trust by the insurer or HMO. All claims for benefits must be submitted to the insurer or HMO. Benefits are payable only by the insurer or HMO. The Trust's responsibility is solely to pay premiums to the insurer or HMO. The Trust is not liable for any benefit payments.
- The Trustee does not have any obligation under any of the Group Contracts to automatically insure employer groups should HealthPass not be in receipt of payment by the end of the month of the date due. Full payment must be made to keep all group policies active.

All enrollment documentation must be fully complete and submitted by the 20th of the month prior for effective coverage for the 1st of the following month. Any enrollment documentation received after the 20th of the month will subject the entire group to delays in coverage activation up to 10-12 business days.
