

Allstate Identity Protection

	Employee	Family
Allstate Identity Protection Pro	\$10.95	\$19.45
Allstate Protection Pro Plus	\$12.95	\$23.45

Allstate Identity Protection Solutions deliver low-cost and proactive identity and credit monitoring as well as corporate security intelligence and training. Allstate Identity Protection plans defend employees, their families and companies from evolving cyber threats that cause data breaches and financial losses. These plans strengthens security practices and helps mitigate cyber threats that could cause data breaches and financial loss.

Allstate Identity Protection Pro:

- Protects identity theft by actively monitoring and notifying employees of suspicious activity through single bureau credit monitoring by TransUnion
- Includes WalletArmor which can replace the contents of stolen or lost wallets
- Manages & preserves online reputations by monitoring common social accounts for everyone in the family and provides alerts on vulgarity, explicit content, violence and threats
- Stores online credentials with PasswordArmor
- Manages identity restoration. In the event you fall victim to identity theft or fraud, PrivacyAdvocate guides and manages the full recovery process of restoring credit, identity, accounts, and finances
- Reduces unwanted credit card solicitation
- Instant Inquiry Alerts: Participant alerts generated within minutes of activity captured on the TransUnion credit file
- Threshold Monitoring - Real-time financial threshold monitoring and alerts allowing participants to set dollar amount limits on checking, savings and credit card accounts

Allstate Protection Pro Plus:

- Includes all features of Allstate Identity Protection Pro with the addition of:
 - Tri-bureau credit monitoring
 - Expanded data sources & proactive alerts: Alerts for transactions that do not typically appear on a credit file such as: New account authorizations, address changes, new account openings

The following billing and administrative fees apply to Allstate Identity Protection: ID Theft plans: EE \$3.00, EE/Spouse \$4.25, EE+Child(ren) \$4.25, Family \$5.50 Rates are subject to final verification at the time of enrollment. Domestic Partner coverage is included with all carriers. Rates for Domestic Partners will be the same as rates for Employee/Spouse and Family. This is a summary of plan information. Please refer to the Eligibility Guidelines for further information.
