Either an In-Network or Out-of-Network general participating dentist may suggest you see a specialist. No referrals are needed for specialist care. You are always free to see any specialist you would like or choose one from your Guardian provider directory.

Dental coverage can only be elected by a group enrolling in HealthPass medical coverage.

About Your Benefits:

Taking care of your teeth can be expensive. That's why the right dental insurance is so important — it not only pays for preventive care that can keep you and your family healthy, but it also helps pay for more extensive, costly and often unexpected expenses —such as fillings, crowns and root canals. Plus, you save money and have the assurance that you are getting the right care when you use one of our contracted dentists. Guardian has been providing outstanding dental plans to millions of Americans for more than 50 years. When you enroll with Guardian, you have access to one of the nation's largest dental networks offering significant discounts so you know there's always high-quality, affordable dental care close by. From preventive checkups and cleanings, to comprehensive oral care treatments, we have you covered.

With your **PPO** plan, you can visit any dentist; but you pay less out-of-pocket when you choose a PPO dentist. Out-of-network benefits are limited to our PPO fee schedule.
