

Our Medical Partner Carriers

Our Model

Through HealthPass, each employee can choose a different carrier and plan design using one universal form. The employer receives only one invoice from HealthPass and writes only one check per month regardless of the number of different plans chosen by the employees.

Group Eligibility

To be eligible for small group coverage through HealthPass, a group must have at least 1 but not more than 100 FTE employees. Group size is to be determined based on the federal “Full-Time Equivalent” (FTE) employee counting method (26 U.S.C. 4980H(c) (2)), which is the same calculation used to determine employer liability under the “Shared Responsibility for Employers” provisions of the Affordable Care Act (ACA) and Internal Revenue Code (IRS). For each month of the prior year, the employer counts its employees working an average of 30 or more hours per week as full-time employees and, if it has employees working less than that, adds the number of full-time equivalents (determined by simply adding up the hours that are worked by these less-than-full-time employees for the month, but no more than 120 hours per employee, and then dividing by 120). Then, the resulting totals for each month in the prior year are added together and then divided by 12 to get an average for the prior year.

Groups must have an active business address in one of the five boroughs of NYC (Manhattan, Brooklyn, Queens, Staten Island and the Bronx), Nassau, Suffolk, Westchester, Rockland, Orange, Putnam, Dutchess, Ulster, Sullivan or Delaware counties.

Other plans written alongside HealthPass cannot be an employer-sponsored plan from Anthem, EmblemHealth or Oxford.

Participation Requirements*

Core Plans: Anthem (Connection only), EmblemHealth (all) and Oxford (Metro only)

HealthPass Participation Requirements: 75% of the eligible employees must either enroll in HealthPass or submit a valid waiver. 20% of the total eligible employees must enroll with a HealthPass medical plan.

Core Plus Plans (Additional Participation Requirements):

To include Anthem PPO/EPO and Blue Access Plans along with the Core Plans:

PPO/EPO and Blue Access Requirements: available to groups with 10 or more enrolling in any medical plan offered through HealthPass with a \$750 minimum monthly employer contribution per employee.

If the group does not meet the PPO/EPO and Blue Access Requirements at open enrollment: employees who selected PPO/EPO and Blue Access plans will need to select alternative plans or they will be mapped into Connection plans within the same selected metal tier. If the member’s group is located in a county where Connection plans are not available, enrollment will be pended until an alternative plan is selected by the member.

By offering these plans, the employer attests they are meeting the required monthly contribution per employee stated above.

To include Oxford Liberty Plans along with the Core Plans:

Liberty Participation Requirement: 60% of the total eligible employees, after valid waivers, must enroll in a combination of Liberty and/or Metro plans.

If the group does not meet the Liberty Participation Requirement at open enrollment: the group must either increase their Oxford enrollment to meet the 60% participation OR those enrollees selecting Liberty must select another plan through HealthPass. If an alternative plan is not selected, the Liberty enrollees will be mapped into Metro plans within the same selected metal tier.

*Participation requirements above do not apply to Mid-Hudson groups (Orange, Putnam, Dutchess, Ulster, Sullivan and Delaware counties).

Valid Waivers:

- Spousal Coverage
- Medicare
- Medicaid
- Veteran’s Administration
- Parental Waiver

Invalid Waivers:

- Employer Sponsored Coverage
- Individual Coverage
- Exchange Coverage

To count as a valid waiver, an employee who is covered by one of the above plans must indicate their desire to waive in the HealthPass Online Portal (HOP) or complete a HealthPass Waiver Form with the required information.
