**COBRA, FSA, or HSA Integration**

**Guardian® Product Integration**

Guardian® Pre-Configured Worksite Products (Hospital Indemnity, Accident, Critical Illness) are available in limited states for specific SIC codes with already established plan design and premiums. Additionally, custom Guardian® products (Dental, Vision, Life, Disability) are possible to add to the zizzl health platform. Brokers should leverage the Guardian® + zizzl health Implementation Guidelines for more information when working with your local Guardian® sales representative.
