WHAT IS THE HEALTHPASS BENEFITS EXCHANGE?

As part of the HealthPass Benefits Exchange, employees can choose from a menu of plans that fit their needs and budget. HealthPass offers employees an opportunity to choose their preferred coverages from a wide range of insurance carriers, tailored provider networks and plan types. A non-profit established in 1999, HealthPass has provided tens of thousands of companies in the New York metro area with affordable and accessible group benefits.

BENEFITS

Employees appreciate being included in the selection of their benefits, especially in light of their growing share of the costs. With HealthPass each employee is able to choose from:

72 Medical plans from Anthem, EmblemHealth, Oxford & UnitedHealthcare

13 Dental plans from Guardian, Solstice & UnitedHealthcare

3 Vision plans from Guardian, Solstice & UnitedHealthcare

FSA, Dependent Care, Parking & Transit plans from OCA

4 Non-contributory & Voluntary Life plans from Guardian

2 Life & Income Protection plans from Guardian

Accident Reimbursement plan from Guardian

Health, Wellness & Cosmetic discount plan from Beyond Med

2 ID Theft plans from LifeLock

Pet plan from Total Pet Plan

COBRA Administration, Section 125 POP Kit & Benefits Concierge

BURIED IN ADMIN TASKS?

With HealthPass everyone benefits from our state-of-the-art technology. Our online portal tools simplify your Human Resource tasks through real-time reports, dashboards and access to plan materials. Our combined applications and invoices eliminate the piles of administrative paperwork and streamline the onboarding and renewal process. Compliance issues are taken care of through our COBRA Administration and Section 125 POP Kit. Our licensed, knowledgeable Client Services department is here to help your employees and their families enroll in the benefits that are right for them.

YOUR BENEFITS SOLUTION

Are your employees unhappy with their benefits? HealthPass can help! We enable employers to empower their employees to make their own health insurance decisions. After an employer sets a defined contribution amount, each employee chooses plans that are right for their personal and family's medical needs and budget. Our robust menu of benefit options, from leading industry carriers, ensures everyone has access to plans that are right for their unique needs.

CHOICE

Employees can choose from a menu of 72 medical plans to fit their personal needs and budgets. HealthPass allows employees to individually pick their own carrier, provider network, metal level and plan type. There is a plan for everyone!

NETWORK ACCESS

Employees have access to multiple provider networks through three medical carriers.
